EXPRESS SERVICE

You're too busy to read a long letter?

Well, that's the first thing we have in common: **SAVING TIME**.
You have a large parcel,

destinations outside the city or abroad?

You'd like your letters to be picked up shortly after your call ?

In order to ensure a prompt pick-up, our **BIKES** are constantly on the roads around Brussels.

In this case, our **vehicles** are in charge, with the same efficiency.

What is the hour or day, we always are in the starting blocks.

Let's get down to the nitty-gritty and tackle what is important to you when you call upon an express courier service.

One other thing we have in common: **FLEXIBILITY**.

Our **STALLION** applied these principles successfully before us.

And it paid off for him. So...follow HIM!

Partners For Your Emergencies

Our methods:

Stallion Express has a varied fleet with a large range of vehicles and annually we invest in new vehicles with Euro 6 engines. These vehicles guarantee cleaner and more economical mileage. Each vehicle is also equipped with an on-board computer that records all data. Through the GPRS connection between the vehicles and our dispatchers, Stallion Express is able to continuously manage and monitor your shipments. We have implemented innovative and efficient technologies and IT equipment to allow us to remotely monitor in real time your packages, including the time of pick-up and delivery to ensure for our clients the highest level of quality and security!

Partners For Your Emergencies

OUR ROLE

OUR STRENGTH

OUR ADVANTAGES

AIR FREIGHT

STALLION EXPRESS moves air freight globally , quickly, predictably. When you have high-value or time-sensitive shipments, you need to know that they'll arrive on time. Our global air freight services can meet most

time-in-transit needs, from urgent deliveries to more routine international air freight shipments. We give you the flexibility to get your cargo where it needs to be, when it needs to be there.

With a full range of international air freight services, only we offer both guaranteed door-to-door air freight services as well as non-guaranteed freight forwarding services. And while many carriers give you only a range of transit times, we know that's not sufficient for air freight. We give you time and day-specific services so you get the predictability and flexibility you need

As agent for air consignments, **STALLION EXPRESS** remains your point of contact.

STALLION EXPRESS takes care of all Pick-ups, Encoding, and tracking through to final delivery.

Opportunity to encode and track your parcel via the website.
